PROFESSIONAL SUMMARY

Developed skills in collaborative, fast-paced technical environment, focusing on coding, debugging, and project management. Demonstrated ability to communicate effectively across teams and adapt to new technologies. Seeking to transition into a new field where these transferable skills can drive success and innovation.And as Full-stack developer skilled in React, Node, Express, PostgreSQL and REST APIs.

TECHNICAL SKILLS

- **Programming Languages :** Java, JavaScript, HTML, CSS, React.
- **Back End Frameworks :** Node, Express, RESTFUL API's, Database Management(PostgreSQL).
- **Libraries & Tools :** Bootstrap, Postman(API Integration), Version Control(Git, Git Up).

PROJECTS

- **Note Maker**
  (Virtual Note With CRUD Features, Nov 2024 – Dec 2024)
  - PostgreSQL for managing user authentications purpose(Signup & Login) with the security feature of JWT.
  - In this project, users can create notes with a title and description and after creation they can also modify and delete when no longer needed.
  - It is built using HTML, CSS, React, Node, Express, API and PostgreSQL.

- **Turf Booking Web-Site**
  (User Location Accessing Process, Sep 2024 – Oct 2024)
  - This project includes user-friendly features like a location API to find nearby turfs and search other areas as well.
  - Users can Signup & Login with a CRUD-based system.
  - Our team used HTML, CSS, JavaScript, Node, Express, PostgreSQL, RESTful API, and Postman.

WORK EXPERIENCE

- **Front-End Development Intern**
  (UI, UX Designing, Aug 2024 – Sep 2024)
  - Made a valuable contribution to Codsoft by developing and deploying interactive projects such as a math calculator, landing page, and portfolio site.
  - With the group of members as a team we enhanced user interface using React, CSS, and JavaScript, improving overall user experience.
  - Presented findings at weekly research meetings.

CERTIFICATIONS

- Front-End Development - Codsoft Certification
- The Complete 2025 Web Development Bootcamp - Udemy

ACADEMIC DETAILS

Examination	Course	School & College	Year	CGPA
UG	*B.Sc(CS)*	RKMVC	2022 - 2025	7.52
SSLC	Computer Science	Guru Nanak Mat Hr Sec School	2021 - 2022	6.93
HSC	Class 10	Guru Nanak Mat Hr Sec School	2019 - 2020	6.92
